

COLD SNACK

RECIPE
01

Seasonal crispy vegetables with hummus. Enjoy the young vegetables such as our colored baby carrots, baby cucumbers and baby corn. Grab it from the veggie shelves and the hummus from our deli counter... add your choice of veggies.

Preparation time: 15 minutes

Serving: 6 adults

Proficiency level: 1

INGREDIENTS

- Fresh baby corn** 1 punet
- Fresh baby cucumbers** 1 punet
- Fresh baby carrots** 1 punet
- Hummus** 250g

PREPARATION

1. Wash the vegetable in clean water.
2. The carrots can be peeled or gently brush them under running water to remove any soil stuck in the spores.
3. Empty the hummus into a bowl, add a little olive oil and sprinkle paprika (optional).

DISCLAIMER

1. We have tried our best to show you how the finished dish should like. This is only for your guide but not restrictive as long as you have followed instructions properly.
2. Whenever vegetables, oils and spices are mentioned in any recipe, be at liberty to substitute with your favorite choice, and with different cooking instructions.
3. The ovens are never the same in heat retention.
4. Proficiency level indicates the complexity of preparation and we have given relatively easy to cook levels.
5. Cooking time and number of servings are an approximate measure.
